17th WGAC Founders Day

23rd SVC Founders Day

24th NOCC Founders Day

MAY

12th May Brunch

Fashion Through the Ages

Mile Square Park

President's Message

This being my last President's message, it is also the hardest. I have so many emotions. I have enjoyed serving as your President this year. I have had fun working with my officers. I also had a great time seeing old friends and making new ones.

I want to thank my Board and all my NHAC sisters for their love and support. You all made my job easier. They say the third time is a charm and I believe it. I am looking forward to Founder's Day and going to Convention. Congratulations to Evelyn and her Board. I know she will have an awesome year.

Sisterly,
Phyl Eldridge
NHAC President

May the road rise up to meet you
May the wind be always at your back
The sunshine warm upon your face
The rainfall soft upon your fields
And until we meet again
May God hold you in the hollow of his hand.

Vice President's Message

Well, Founder's Day is just around the corner and I hope all of you plan to attend. As of Monday we only had 35 reservations and are hoping to have 50-60 by Monday. Thank you to all of you for supporting NHAC. I will be attending the other three Founder's Day dinners to give them our support also.

Tidbit for the month:
The best way to stay young is to eat right, exercise, and lie about your age!!

See you all at Founder's Day!!

Evelyn Lambert
Vice President

17th, 18th and 19th

Convention

Chapter Activities

Please remember to submit you "Chapter Activities" information to Dottie Soteriou by the Friday following the regular NHAC Meeting. We would really like to have more information to include on all chapter activities and updates. It's a great way to keep in touch with our sisters and share ideas amongst chapters.

Preceptor Xi Sigma

March was a quite month for PXS, but we're picking it up a little in April. We are having dinner at the Outback in Irvine on Friday, the 11th to celebrate our Chapter Birthday and are all looking forward to Founders day on the 16th. We will be there in force to rally around Evelyn as she is installed as President of NHAC.

Then it's off to convention in May, for those of us going, we're sure it will be a great weekend of sisterhood and fun, fun, fun!

Sisterly,
Dottie Soteriou

Xi Beta Alpha

In the month of April we will be meeting at Polly's for breakfast. Four of us will attend Founder's Day on the 16th. Then on the 21st, 3 of us and Pat Michels from Arizona are taking a trip to San Antonio, Texas. We will be joined by Sandy Kopanke-Paz who now lives in Georgia. We should have a great time!!

Sisterly,
Jeanne Dyer

COMMUNITY SERVICE

A note to all the chapters of NHAC. First, as Chairman of Community Service, I would like to thank all of you who have been so diligent in "popping" those tabs from cat food cans, soup cans, soda cans, Spam cans and any can with a tab. While you may think that your small bag of tabs is unimportant, that is not true. When I have the privilege of dumping in a container full of tabs into the bigger barrels at Ronald McDonald House, I realize that it is the "whole" that matters. Last year they were able to redeem the tabs for over \$7,000. It is not their major fund raising endeavor, of course, but it is a part of the whole in caring and contributing to a cause that is important. As I mentioned at the Council meeting that I will be glad to co-ordinate a time when some of us could go and cook either a lunch or a dinner. There are always people who volunteer during the holidays, but the house operates everyday and there is always a need for bodies to help. Also, they have a wish list for supplies for their pantry. I will have an updated copy at the May NHAC meeting.

Thanks again to all of you. Keep popping!! Joanie Frei
