## President's Message

I want to wish all of you a relaxing and fun filled summer. I am in the process of planning our President's / Vice - President's meeting, which will probably be on Saturday, July 19th. Almost every weekend of my summer is already booked with vacations, brunches, Board meetings holidays, or visitations, so it has been very difficult to find an open weekend. I will be sending invitations the first week of July, and will need at least one officer representing each chapter, so please put this date on your calendar. I would also like to remind everyone that the Naughty Nauticals are hosting the September Brunch, and we need all chapters to donate either filled baskets or items to go into baskets. This will need to be done over the summer, because our first NHAC meeting will not be until the Monday before the brunch. Christine Morrow and Kathy Scharnhorst are the chairmen, so if you have questions, you can contact either of them. We would appreciate everyone's cooperation to make this brunch a success.

Sunshine to all of you!!!

Evelyn Lambert  
NHAC President

## Naughty Nauticals

Dear NHAC Ladies,

NHAC and the Naughty Nauticals have combined to host the September Brunch at the Beta Sigma Phi south location on La Paz. The proceeds will enable us to donate to the Scholarship Fund and will replenish our NHAC coffers. We have been working on the brunch and everything is organized, decided, and in the process, i.e., programs and covers, skit in July. But, we have one pressing need. We need donation drawing gifts. I passed out letters at the last NHAC meeting for members to take or mail out to get donations, but I haven't received any feedback. If each chapter would take it upon themselves to collect and donate two baskets, or if you have thing to put in a basket, please contact me. I will pick up the baskets or partial baskets and take care of them until the brunch. Please call (714) 966-5340 or e-mail me at [BearKat\\_Ind@msn.com](mailto: BearKat_Ind@msn.com). Thank you in advance.

Kathy Scharnhorst
